ASSEMBLY.

ASSEMBLY.

AND AMBER B. (260GIE of Oil Ulty, respectfully process him to the Eupstition electors of Vunango cumy, as a candidate for Assembly, subject to the surgest of the party.

Ils extensive acquaintens with the important and varied industrial interests of the oil region, his personal integrity and shifty, indicates man in whom the people would find a capable, faithful and applied with

is given by a correspondent of the New York Tomes:

It appears that between the deceased and Count Jars, (a Peruvian by birth), there existed and old gradge, arising but of their joint attentions to a lady of rank, the sinter of a well-known Cuthen marquires. The animusity existing between them on the subject required but a slight pretented for at the road quarrel, and unfortunately this presented theelf at the Theatre del Principe the other night. Young Olozya had taken a seal in the parquet and pinced a came upon it to secure pussession while he turned to talk to a friend. Presently Count Jara came in and not perceiving that the seal was occupied fluing his cost upon it, thereby dish digits Olozya's cone. The latter turned angrily upon them, and told him in an imperious tone to pick up his cane.

M.Jara did so, but to fluodding it to him also respected him his card. Olozya took it with

legislature of the contrary as fractances as ability with which he discharged the functions of secretary, and the speech which he recently made in defence of his trucie. Jone Statestimo (Duzya, then absent in Paris, all the anticipations that had been formed of him There was every reason to believe that his own personal calents, joined to the influence of that eniment states man would have opened to him a brilliant career. What greef and what discipationized for it is family which had founded all then hopes upon him? His latter, Don Jose (Duzya, was struck senselers by the blow and he life is despited of His nucle, to whom he was almost equally dear, and who is engaged in prepoung the project of the constitution with the committee, of which he is president, has been rendered simost unit for the task. One hears nothing but regretal for the late.

plaintiff: Sherman for the defence. Sherman got badly beaten. B. wound him up, and wound him down, and accoped him set at every point. After the war the General was asked if he aver remembered the case. "Yes," asid he, "old B. beat me all to pleces in that iswalt in the after noon, but that hight I beat him."
"How was that?"
"You see It wasn't an action for possession. He client was a poor frishman, who had leared

"You see it want an action for possession. My client was a poor Irishman, who had leasted a lot and put up a shanty on it. He falled to pay his rent—hence the action. After we were hasten betore the Justice, we immediately rented the lot séjoining, and that slight my client moved his shanty over on to it."

Sherman soon became diagusted with the law. The partnership had lasted but a couple of months when he was offered a professorship in the Louisiana Biste Military School, which he gladdy accepted.

Sight of Him in the British House of Commons.

in lint this Mr. Davis."

I turned round and right behind me stands
Jefferson Davis. But zounds! what a change is
mortal man! I would screely have known him
from statention "had not been called fto him.—
And can it be possible, I mused, that this shreeelled face, this voiced, sunken limbed, slouchy
jittle old man is the elequent and commanding.

Resetter from Metabulation the commit results. our raifen foe would have driven me to do and asy if it had not met in the inspulsa of the man who put the question. I have quoted that obse-quous sycaphancy to the slaveholders' rebellion which for these ten years past has been the pre-emment characteristic of suit slavery England hir. Davis quietly replied, "That is my name

Mr. Davis quietly replied, "That is my name, sir."

"What, Jefferson Davis?"

"Yes, sir. May I ask your name, sir?"

"Harris; but I am nobody; I am simply su Englisma who deeply sympathizes with you. I have often wanted to see you; I have your picture to night up to my house and I prize it very highly."

Imag was said in an agitated, ferrent way, while hinds were shaken, and then Mr. Harris who was a gray-haird, well to-do looking gentle man, pat his mouth close to Mr. Davis' ear and whispered what I could mot hear, but what I could imagine was "England was with you, and, if you could have held out another year we would have joined France in recognizing your in blick sword-breechts and shad belly coat, with a silk stufflower on his back, who absolutely bent double (I am not exaggerating) at the approach of Mr. D. and went dancing and flushed and smiling before him, whisp ring to everyhody, while is Mr. Jefferson Davis, and gailanted blin to a got of pew there is for specially fivored strangers on the floor of the House, deep in the House, deep in a recess, and where Mr. Davis hat down with Archibshop Manning, and Dean Stanley. What the Archibshop said, and what the De mand, and what the De mand, such that the ex-President said, know not, for I must harry to my seat, far over their heads, or lose it.

and Congress on reconstruction, especially in Virginia, is of the most cheerful character.

A letter from Richmond says that it seems as if a load of depression had been lifted from the aprits of the people, and that the satisfaction with the action of Congress is well nigh manimous, the only exception being some new antien reactionists, who still harbor the shost of the reactionists, who still harbor the shost of the reactionists, who still harbor the shost of the reactionists, who still harbor the short of the reaction and apit on the flag. Business is already reviving, as a consequence, and the doubt and uncertainty which has been consequent upon their chaotic condition being removed. Pcopie are already estimated to condition being removed. Pcopie are already estimated to the condition of the strength of the strength of the flag by increased business. It is believed that the matter! I interested the strength of the satisfacted many millions.

The Eight Hour Law The Fight Hear Law.

The President Is to be waited on to day by a delegation from several trades associations in Charleston, S. C., Rock Island, Ill., Springheld, Mass, Franklin, Pa., New York and Portsmouth, V., in reference to the construction of the eight hour raw. At a meeting of these delegates on Saturday excuting, a series of resolutions were adopted, and the bege expressed that the mandmous adoption of the eight hour resolution by the House, and fivorable consideration given in the Sonate, will be accepted by the President and Secretary's of War and Navy, as an explination of the Act, that it does not mean a corresponding reduction of wages.

Pour hundred cords of wood at Palmer, inclosing to the Boston & Albany Retirond, was desiroyed by an otendary for least tight. The mett train for Boston was delayed everal hours on account of a collision of the locomotive with on a collision of the locomotive with of middle of the present tank. Both are supposed to be the work of middle our persons.

FORTY-FIRST CONGRESS.

1 XTRA BESSION-BENATE. Washington, April 12.
The Senate met at noon, Mr. Anthony pre-

iding.
Measts. Hamily and Cassady were appointed a committee to inform the President that the Sen-

Extranstruction in Virginia.

Manusoron, April 19.
The effect of the recent action of the President.

The congress on reconstruction, especially in riginia, is of the most cheering character.

A letter from Richmond mays that it seems as A letter from Richmond mays that it seems as President, reported that they had performed that

duly and that he would send in a communica-tion immediately, and others as Occasion might require.

A number of nominations were then received not the doors were again closed.

The Senite adjourned at thalf past three.

The Legislature.

The Legislature.

INDIANAPOLIS, April 12.

The bolting members of the House appeared this evening and were aworn in and the House completed their organization by a resolution continuing the officers and employees of the regular session. After the passage of the resolution Speaker Stanton tendered his resignation as Speaker Stanton tendered his resignation as Speaker of the House, and Mr. Fierer, Republican of Monroe county, was elected Speaker. On motion of Mr. Fierer, the Republican of the recovery, a resolution was adopted postponing action on the Fifteenth Amendment till Tuesday, the like of May.

In the Senaie there was no quorum till after the passage of the resolution in the House postponing action on the amendment specific when

A somewhat noted character, name a E. L. Catman, committed suitede lest night or this a, in. in a basement sation at the corner of Malison and Clark attents, in a preciner in timer. He was discovered it about say check this menning lying on his back on a title in the saloon, directly noter a common gas chandaller, from one of the harvers of which a rather time extended into his month. Tabler his had been one of the harners of which a interrupe extended into his mouth. Under his had was a cigar and over his fore was spread a coat, nobably to prevent the oscape of gas from his mouth. When discovered he was apparently dead, although it is asserted that during the sitting of the Coroner's dury, which was called immediately after the hody wised scovered there. were argue of life, but there was go attempt made to resu-citate ban-

The Rafting Season Commenced—Amount Mendy for Shipment.

The Brookville, Pennsylvania, Republican of the 7th instant, says. On Wednesday last the rise in the creeks had so receded that our lumbermen commenced running their lumber, and during Thursday and Friday a large run was made, all the available pilots being employed As far as we have been able to learn, no serious accidents took place, nearly all the rafts started arriving safely at the river. The cold anap of Saturday checked up running pretty effectually, and now, as the men return, they are set to work getting in the remainder of the stock waiting on tions, we are led to believe that even lumber were deceived as to the amount of lumber ready for the market It is larger than first an ticipated But the favorable floods and the early account will prevent the markets from being flooded and the prices run down to ruin

The Warren, Pa , Ledger 8136 We have al eady given the amount along the river from Corydon to Tidloute, which makes a total of full we have put the amount too email in most every Ase For tustance the amount given at Corp lon, was put nt 2 500 000 it will not be less than \$ 000,000. This week we are able to give the probable amount on the Brok nstraw ereck, to be send to market this spring, as follows Youngaville, 5.80 000 feet of boards Creek and Columbus, 2 500 000 Besides 5 000, 000 of shingles at Garland and 3 000 000 at boards on the Brokenstraw, to be added to on of 26 000 000, for the spring business a one This cannot be more than half the groduct for the entire year. But we will call the year's bus ness 50 000 000, along the river and the Broken

Thy skeleion estrice, I take my morning ride And after noon, With faceleating pace, I join the health tel race, Annihilat my space,

When first I tried thy speed Thou magic, matchines steed My spirits rose. But for all pain sodured I found it speed secured

My recompense, and all that joy may share who wish to do and dare, ree as a bird of air, (For fifty state) So may I persevers.
Secretary to doubt or four,
And nothing wreek,
Until fean with case
My swift bisycle seize
And gallop to the bress
(Or breek my neck)

A SENTEY On duty at Fort Macon clved strict orders, on Monday of last week, to challenge every one approaching him One of diexander, under the excliement of the mo ment run toward the sentry, who, it is said after challenging, fired A surgeant who, upon seeing the officer fall, ran to the apot, univ to ment the and he too, was brought to the ground. Both men were killed almost instantly by the stunid sen
